Serving Jesus in Jamaica
November 2005

Greetings in the name of our Lord Jesus Christ!!

"It's raining - all around me - I can feel it - it's a lot of rain. Right On Jesus! Please send more rain! Until we are wet, until we are soaked - send a lot of rain!"

This local praise song that asks our Father to send the Holy Spirit to "rain" down on us has always been one of our favorites. We can never get enough of His guidance in our lives and we welcome His presence in every moment of our daily routines. Have you ever wondered how you would manage in life without Him? That is a scary thought and one we will never have to face - but sadly there are still many people here in Jamaica who do not have the Counselor to help them navigate through life. Pray that their ears and eyes will be opened to the truth that can save them!

Constantly rising prices of cook gas, electricity, gasoline, and school fees are making these times even harder for the Jamaican people to live in. This has given us more and more opportunities to witness and spread the Good News to those who come seeking assistance. A Jamaican proverb says, "One meal won't fatten a magga (hungry) pig!" We explain that the food we can give them today will only help their physical body to survive - but for their spiritual self to survive they must look to Jesus and ask Him to be their Lord & Saviour.

BETHEL CHRISTIAN TRAINING CENTER

We broke ground at our annual Bethel Board Meeting on September 23, 2005. Above are some of our Bethel Board members and our Jamaican Advisory Board. We have not yet reached our needed funding for Phase 2 - but we are confident in God that He will continue to provide!

Phase Two will complete the interior, furnish and equip the facility with the remaining \$100,000 US goal that we are confidently praying will be raised by September 2006.

Start planning now to be a part of the many needed construction teams to help us erect this building alongside our Jamaican tradesmen. Please pray about making yourself available and God will supply the abilities and strength you will need. Contact us for information about becoming a member of a building team!

You can give directly today or make a faith pledge to be given over the next several months.

AWANA

We are pleased that 2 new clubs have been started in Porus and Maypen.

We are also very excited that the principal of Winston Jones High School in the community of Asia has asked us to place a Junior Varsity Club right at the school! This will be held right after school right at a time when most students have "free time" – so we anticipate that attendance will be very high!

Also each Wednesday Kenrick, one of our Timothy's, will be a part of the "club hour" that each student is required to participate in. Students have a choice of different types of clubs such as 4-H, Scouts etc – and he will work alongside the Inter Secondary Christian Fellowship (ISCF). This is enormous as it is a regular part of their school day!

Both of these opportunities are born out of the very successful "Youth Explosion" ministry that was conducted by our interns this past summer.

Sewing & Bible Study Classes

The ladies are thoroughly enjoying a video series of teaching by Ray Vander Laan who takes us to different locations in Israel and makes the Biblical stories we are so familiar even more exciting by seeing the sites they took place.

"Youth in Praise"

On "Boxing Day" Tuesday December 27th we will be hosting youth from nine area churches who will come together for a day of fellowship, fun, and praise – all centered on Jesus. Traditionally this day during the

holiday season is reserved for giving of presents to family and friends – but we chose this day so they will continue to focus on Christ - the greatest gift we will ever be given!

We are expecting 250 – 300 to be in attendance and we pray this will be just the start of an on-going ministry to encourage teens to reach beyond their own denomination to fellowship with a purpose and reach out to the un-saved youth in the area.

Marriage Retreats

The past two weekends we hosted Marriage Retreats aimed at discovering God's intention for marriage as taught to us from the Bible. Fifteen pastor and lay leader couples participated and the response was life changing!

Joe and Pam Donaldson came for the second year from Louisville KY to teach the sessions and also brought an exceptional example of a marriage that is working because it is God centered.
